Afterword Translation Notes:

Afterword

That was *I'll Never Send Another Selfie Again!* volume 7. Thank you so much for picking it up!

I really intended this manga to be a light diversion you can read anywhere, but it's really getting a bit too racy to read in public, isn't it? I just hope they'll let me push the lewd stuff as far as I want!

I hope you'll stick around for the next developments in Himari and Eisuke's relationship!

Takeya Takekake

P.S.:

Upon reflection, I might have made the bonus content a little too lewd this time...
